

From the Pastor's Heart Through His Keyboard

Spring is here! So they tell us, the weather seems to have a different opinion. However, over the next few weeks we will start to see changes in the ground around us. New life will start to appear – Flowers will start their journey through the soil to poke their new shoots up through the ground to begin a new stage in their lives.

For many of us, new life begins in the spring. Many suffer from Seasonal Disorder and are now feeling relief due to the increase of the amount of sunlight each day. Some just have the winter blues and see new hope in the coming of spring. Even here in Maine we are preparing for Mud Season!

For us who call ourselves Christian, spring is the season of new life and new hope for us. Easter Day, without which we would not be called Christian, is the annual reminder that death could not hold Jesus Christ for long. Three days was all that the power of death could hold our Lord for. The wonder and amazement of the Roman guards when they woke up and found the stone moved; the surprise of the two disciples when they discovered the empty tomb; and the concern of Mary Magdalene who was looking for Jesus and when she found Him thought He was the gardener. All of these people for one reason or another had hope in their hearts that morning. The Roman soldiers had hope that the body could be found and replaced before their superiors found out the body was missing; The two disciples had hope after the angel asked them why they were looking for the living among the dead; and Mary had hope when the gardener spoke her name in the loving, caring way He had done many times.

Where is our hope today? We live in a world, in a nation, full of violence and cruelty; hunger and natural disasters; and full of people who only care about what is best for themselves. Among all of this despair, we find our hope in the name that is above all names – Jesus. Jesus, the One who was crucified for our sins, the One who suffered so much pain and degradation on our behalf, the One who overcame death so that we might also have everlasting life. This is where we find our hope – in the Lamb who told us to love God with all of our heart, mind, strength and to love our neighbors as we love ourselves.

Spring is a wonderful season of the year for us because it promises us so many good things. The remaining three seasons have their beauty and wonder as well but in spring there is so much hope for us.

Take this hope to your hearts. Pray that the Lord will make Himself known to you in a special way this year so that you may give glory to your Creator in heaven and serve God's people with a pure and loving heart. May the joy and hope of this season be yours throughout this year and beyond.

In His love and grace,

COUNCIL CORNER FOR APRIL

Church Van Transportation is still being explored by the council. A sub-group has been formed and will be scheduling a meeting to discuss the next steps and logistics of owning and utilizing the van.

Holly Days Fair planning will be beginning soon. We are exploring how best to accomplish coordinating the different tables involved in the fair so that it can simply continue on an annual basis for years to come.

An **Ecumenical Leadership Event** was suggested. The council is looking into coordinating a social event in which we would network with other area churches/synagogues to build even stronger connections among our various places of worship. This would take place in late summer or early fall. The actual event and details are still to be worked out.

Leadership Recruitment has become more difficult as our congregation ages and diminishes in attendance. The council will look at the needs and wants to sustain this congregation. As we review the FCC by-laws we will be addressing our current ways of functioning to establish a more streamlined and less labor intensive method.

PASTORAL SEARCH COMMITTEE UPDATE ...

The Pastoral Search Committee has been receiving profiles of prospective ministers every week for the past four weeks or so. We will continue to receive these until we have completed our search. We have reviewed over 20 profiles on a wide variety of candidates. What is unique in this pastoral search, is that we have the benefit of social media like YouTube, LinkedIn, Vimeo, blogs, etc. Through social media, we can get a very good picture of a pastor by reading their profile, and then we can take it a step further in many cases and listen or view sermons online. This has both strengthened our views of some candidates and probably also had the opposite effect on others. We have offered our profile to some of the candidates and in the coming weeks will be looking to have our first interviews again using technology like Skype or Facetime which allows us to have a video conference with those candidates. If you look in the Grant room, there is a flat screen TV on the wall that was generously donated. We can hook our laptop up to the TV and have a meeting with someone almost like they are in the room. We are excited to start doing these interviews and excited to continue this process of calling our next pastor.

If you have any questions about our progress, please don't hesitate to contact me. I can always be reached at email: stevrunn@gmail.com.

WOMEN'S SPIRITUAL BOOK GROUP

FCC's Women's Spiritual Book Group will next gather on Wednesday, April 11th, at 1:00 PM in the home of Eunice Wilcox located at 49 Sunset Road, Falmouth. The reading will be "Falling Upward" by Richard Rohr. Rohr is a widely published Franciscan priest. In this book he offers a new perspective on aging and how in the second half of life, when we face the challenges and realities of new limitations, we are actually gaining in perspective, wisdom and spiritual awareness. Rohr encourages us to look at the richness that comes with aging and the fullness of life and spirit that aging offers.

Sound intrigued?! This is a diverse and dynamic group that enjoys thoughtful dialogue, good laughs and new faces. Join us on April 11th. Or, contact Mollie Mason or Cathy Bowden for more information.

KIDS' CHURCH

The kids have finished up their scrapbooks for the parable unit, and they look great. They are full of creativity and personality. We will now be moving on to our after Easter unit. In this unit we will be learning what happens to Jesus after he was crucified. As always the kids will learn this through dancing, singing, cooking, art work, acting, movies, and games.

Kids' Church recently acquired a "Kids' Church Store." There are all types of prizes from little key chains and magnets, to a purple gaming chair. Each of the prizes are worth a different amount of points. During Kids' Church, the kids can get points for winning a game, good behavior, listening skills, correct answers to questions, and good attendance. They can also lose points for bad behavior. These points roll over to the next week and can be used at any time. The kids can use the points they get to buy different prizes at the new store. They can get small stuff each week or save their points to get one giant prize. The kids are very excited about the new store.

If anyone has any lightly used kids toys, feel free to donate to the new store, just email me at kristen.coleman@maine.edu; we appreciate any contributions.

Thank You,

PILGRIM LODGE

Camp registration is now open! You can register online at: <https://www.pilgrimlodge.org/register-for-camp/> or download a paper copy to fill out and mail in. Brochures and registration forms are available on the table in fellowship Hall. There is camping fun for all ages and something for all interests. This is a Maine UCC campsite supported by you!

Program Description:

Pilgrim Lodge, owned and operated by the Maine Conference of the United Church of Christ, is a seasonal retreat center and summer camp located on Lake Cobbosseecontee in West Gardiner, Maine. During the summer months Pilgrim Lodge is the central location for the youth ministry program of the Maine Conference. The program also includes trip camps at other locations and weekend events for adults.

Campers come to Pilgrim Lodge for one week in the summer. Each week is geared toward a particular age group. The youngest campers have finished second grade and our oldest campers are in high school. Camp operations such as lifeguarding, food service, and maintenance are performed by a trained paid staff. The program directors (known as "deans") and counselors are volunteers from local United Church of Christ congregations. These leaders change weekly, offering fresh and exciting programming. They are screened and trained by the Outdoor Ministries Team. Pilgrim Lodge offers fun and meaningful programming in addition to all the familiar camp activities such as arts and crafts, swimming, boating, nature education, music, and games. The Pilgrim Lodge experience is rich and rewarding for campers, volunteers and staff. We invite you to join us in Christian fellowship.

MOLTE GRAZIE! MANY THANKS FOR YOUR CONTRIBUTIONS TO OUR ITALIAN DINNER!

What a fun night it was! It was great to see people out enjoying dinner and listening to violin music! We appreciate all the contributions of lasagnas, authentic Italian dishes, salads, and desserts, as well as the hours that many of you gave decorating tables, serving tables, and working in the kitchen. Thank you for participating in the Italian dinner celebration and supporting our church's Family Promise program.

FAMILY PROMISE PROGRAM

Many thanks to all who gave support to our most recent Family Promise program from February 11th through February 18th. It was a very successful week, and we could not have done it without those of you who made (and unmade) beds, brought hot meals, arranged different activities for the children, stayed overnight, donated money to buy food essentials, and enthusiastically pitched in where help was needed.

More details will follow, but the next time that our church will be a host congregation is from Sunday evening, May 27th, through Sunday morning, June 3rd. Please consider being part of this uplifting outreach experience.

Volunteer Training:

In preparation for hosting, there will be a volunteer training on Wednesday, April 11th, from 5:30 to 8:30 PM at Saint Luke's Episcopal Cathedral (parking lot at 134 Park Street) in Portland. It is important so that we will all learn how to interact with families who can be much different from us. If you would like to volunteer but your schedule does not allow you to participate that night, please contact Dolores.

Thank you!

We need only 8 rulers, 6 boxes of 24 crayons each, and 6 hand-held pencil sharpeners.

We are also trying to assemble Hygiene Kits, for which there is currently a special need around the world. If you would like to donate any of the items below, please put them into the bin that is by the Mission Board in Fellowship Hall. (In the past, we have found that the Dollar Store has many of these items.)

Church World Service Hygiene Kit Supplies needed

- One washcloth
- One wide-tooth comb removed from the package
- One finger nail or toe nail clipper removed from the package
- One bath size bar of soap in the wrapper
- One toothbrush in the package

Ministry of Community Life

An opportunity from Hospice of Southern Maine for us and our Faith Community

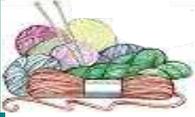

Currently Hospice of Southern Maine offers a four-part series entitled, “Everything You Want to Know about Hospice”. The series is in four parts, each part is a one-hour presentation. Here is a chance to have your questions answered. This series covers the spectrum from learning about the basics of hospice care, what it does and doesn’t do, how Hospice makes it possible for a terminally-ill person to be cared for at home, and the difference Hospice makes by supporting and guiding families at the end of life.

The series is as follows:

- Part 1: Everything You’ve Wanted to Know about Hospice
- Part 2: Important Conversations with Physicians and Family
- Part 3: BOATING – A Play about Empowerment and Final Wishes
- Part 4: Overview of Grief, Bereavement and Support

Should you be interested in attending the series kindly share this with Carol Kauffman, RN at bearlover12@maine.rr.com. I have been in touch with the presenters and they are willing to share the series with us in late spring by presenting it from mid-April to mid-June. We would have each part spaced to occur on the same afternoon every other week until the series concludes. Don’t be hesitant to bring a friend or neighbor. Dates and time will be decided in April.

Prayer Shawl Ministry

A Nor'easter blew in on our Prayer Shawl meeting day so we didn't meet as planned. We look forward to seeing you at our next meeting on April 12th in the Grant Room from 1:30 PM to 3:00 PM.

Happy Spring,
Judy Nilsen

"Your kindness means much more..."

Dear Heidi [Nilsen],

It touched my heart to have your mom come to visit my parents in this time of such heartache and struggle. It is nice to know someone who cares as she.

Also my heart warmed when she brought prayer shawls for them. Such a comfort to have on a chilly day to be wrapped in prayer.

Again today your sweet mom came to visit my mom and dad but she had with her a beautifully knit PINK prayer shawl that your hands knit specifically for me! Tears of joy filled my heart to have such a meaningful and beautiful gift!

I am filled with gratitude for your thoughtfulness and hard work and prayers to make me such a gift. I am truly blessed and thankful for your thoughts, prayers, kindness and hard work.

*Thank you so very, very much,
Kate Heck*

Advice from the Faith Community Nurse's Desk

Out and About

1. New Medicare Card coming this spring. Your new card will automatically come to you. You don't need to do anything as long as your address is up to date. If you need to update your address go to: [mySocial Security account](#) on the internet.
2. Your new card will have a new Medicare Number that's unique to you, instead of your Social Security Number. This will help to protect your identity.
3. Your Medicare coverage and benefits will stay the same.
4. Mailing takes time. Your card may arrive at a different time than your friend's or neighbor's.
5. Your new card will be easier for many providers to use and copy.
6. New Medicare cards are being mailed to recipients living in Maine beginning July 2018.

The above information is taken from the CMS website at <https://www.cms.gov/Medicare/New-Medicare-Card>
